ness, Tonopain, Nevada. Location of work, Esmeralda county, Nevada. Notice is hereby given that at a meeting of the Board of Directors, held on the 1st day of February, 1917, an assessment (No. 1) of one (1) cent per share was levied upon the capital stock of the corporation, payable immediately in United States gold coin, to the Secretary, at 355 Bush street, San Francisco, California.

Any stock upon which this assessment shall remain unpaid on the 7th day of March, 1917, will be delinquent and advertised for sale at public auction, and unless payment is made before, will be sold on Monday, the 2nd day of April, 1917, to pay the delinquent assessment, together with the cost of advertising and expenses of sale.

INTERNED STEAMSHIPS INSPECTED

the six German steamers tied up at this port showed "absolutely nothing to arouse the least suspicion, according to Eli Perry, acting collector of the port.

"In every instance," Mr. Perry said, "the customs officers were ourteously received. They made a careful and detailed examination of machinery and went through all parts of vessels below deeks."

The Boston police detailed thirty men to assist the port adjacent to the German ships.
